The RTO was established in 2015 however at the time of audit, the RTO had not commenced delivering qualifications to domestic students. It is the RTOs intention to offer qualifications solely to overseas students. As such, the applicant applied for CRICOS approval on 27 July 2016 to offer the BSB50215 Diploma of Business and the BSB60215 Advanced Diploma of Business to overseas students.

The RTO is wholly owned by Mr Kirandeep Singh. Mr Singh also owns Llewellyn Projects Pty Ltd trading as Mobile Training & Assessment Services (MTAS) (32471) and Workforce Education Institute Pty Ltd trading as Workforce Education (51161).

The RTO plans to market its CRICOS scope to the South East Asian and South and Latin American markets. The provider does not plan on engaging in off shore activities or to use agents in marketing and recruitment, although had evidence of draft agreements in place at the time of site audit. The provider will not offer enrolments to under 18s, will not offer any work based training and there is no outsourcing.

The provider is seeking a maximum overseas capacity of 180 and will operate out of the Albany Highway, GOSNELLS location having signed a lease for the premises on 15 December 2016.

In making application for CRICOS approval Mr Singh has been assisted by Mr Bansal Navnish, Principal Consultant of the RTO Establishment Group and Ms Sally Tansley, Learning and Assessment Consultant.

## NATIONAL CODE OF PRACTICE FOR REGISTRATION AUTHORITIES AND PROVIDERS OF EDUCATION AND TRAINING TO OVERSEAS STUDENTS 2007

### PART C REGISTRATION ON CRICOS

Course/s can only be approved for registration on the *Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS)* where the course meets the following requirements:

#### SECTION 7 Course duration

7.1 The registration of a course on CRICOS must include the expected duration of the course. The registered duration cannot exceed the time required for completing the course on the basis of the normal amount of full-time study. Only courses which can be undertaken on a full-time basis can be registered on CRICOS. A course will not be registered on CRICOS unless it meets the relevant Australian Qualifications Framework requirements or those of any other appropriate quality or accreditation framework, if an appropriate framework exists.

**Original finding:** Requirements met

7.2 For English Language Intensive Courses for Overseas Students (ELICOS), a course duration range may be specified on CRICOS as the study duration will vary according to each student's learning goals which will be reflected in the expected duration of study specified on the students' Confirmation of Enrolment (CoE). ELICOS courses remain subject to the requirement in paragraph 7.1 that only full-time courses can be registered on CRICOS.

**Original finding:** Not reviewed

7.3 The designated authority must take into account the proposed course structure when determining the appropriate duration for registration on CRICOS (that is, the number of compulsory terms or semesters each academic year). The registered duration of the course must include approved holiday periods and any approved period of work-based training. When the course duration is not specified by the accrediting authority, the designated authority will determine the course duration based on a minimum of 20 scheduled course contact hours per week.

**Original finding:** Requirements met

#### SECTION 8 Work-based training

8.1 Work-based training must only be approved by a designated authority as part of a CRICOS-registered course where:

- it must be undertaken to gain the qualification, and
- the registered provider has appropriate arrangements for the supervision and assessment of overseas students in place.

**Original finding:** Not reviewed

10.2 The designated authority needs to be advised in writing of all providers to be involved in providing a registered course, the role played by each provider in the delivery of the course and the single provider recommended to be registered for the course. The designated authority will assess the provider's suitability for registration in light of its connection with and responsibility for the course.

**Original finding:** Not reviewed

## SECTION 12 Maximum number of students

- 12.1 As part of the registration approval process, the designated authority will decide whether to approve the maximum number of students that a provider can enrol. In making this decision, the designated authority will consider the capacity of the provider in terms of its premises, approved arrangements with other providers, facilities, resources, equipment, materials and ratio of staff to student numbers.

**Original finding:** Requirements met
